

Funding Received by Oglethorpe & Dawson Educational Foundation

2019-2020

We are always very appreciative of the support in funding received for both the school and our students from the Oglethorpe and Dawson Educational Foundation. We would like to thank them for very kindly contributing to the following causes:

- Sixth Form students to partake in the Lessons from Auschwitz visit
- Senior Awards Evening
- Reward Fund
- Hardship Fund – used to support students from low income families with the purchase of key items such as school uniform, educational books, transport and school visits
- The Eco Group – enabled the Group to purchase plastic bottle recycling bins (as part of the Group's work towards the Silver Eco Schools Award)
- Books for The Independent Learning Centre, allowing all students access to newly published fiction titles
- The Stonewall Group School Membership
