Dear Parents and Carers

CGP A-Level Economics: Complete Revision and Practice

To give students the best possible opportunity in GCE A Level Economics, I would recommend students purchase the CGP A-Level Economics Complete Revision and Practice book.

The book covers Year 12 and Year 13 of the AQA specification. The book includes study notes explaining all the theory, plus diagrams and examples. Warm-up questions and exam-style questions are included for every topic, and the book is rounded off with a section of in-depth advice on how to do well in the exams.

The book is available to purchase for students at a price of **£10.13** if bought through the school. The ISBN for the book is: 9781782943471

If you would like to order the book for your child, please log in to your parent pay account by Friday 15th October. For parents of students who have been advised they are eligible for a Bursary, all relevant materials will automatically be purchased. We will inform you of the collection details when we have received the stock.

If you have any queries please do not hesitate to contact me on c.benoit@tgs.starmat.uk

Yours sincerely
