Dear Parents and Carers

GCSE Economic Unit 2 Topic Companion - How the Economy Works

To give students the best possible opportunity in their GCSE Economics the Business Faculty have purchased the Tutor2u Topic Companion - How the Economy Works, which allows the school the license to photocopy it for students.

We strongly recommend each student has their own full colour copy of the Topic Companion. It provides complete coverage of **Paper 2 - How the Economy Works** of the AQA GCSE Economics specification. It combines essential study notes, practice questions and student activities. Currently there are no published textbooks for the AQA GCSE Economics course.

We are offering the Topic Companion to students at a cost of £6.08 to cover the cost of the colour photocopying.

If you would like to order the above for your child, please log on to Parent Pay to pay by Friday 15 October. For parents of students who have been advised they are eligible for Pupil Premium, all relevant materials will automatically be purchased. We will inform you of the collection details when we have received the stock.
