

# Be Your Best Self

Friday 11th November 2022

Dear parents and carers,

I am pleased to share the report from the 2-day Section 8 (ungraded\*) Ofsted inspection last month.

The report confirms that our students enjoy their learning, that they feel safe and well looked after, that the school has an ambitious curriculum which is taught exceptionally well, and that we are firmly committed to providing the very best quality of education for every student both now and in the future. It also affirms that our self evaluation is accurate.

The report is now effectively in the public domain, although it will not appear on the Ofsted website until late next week. I will share the report with students later today.

The report follows an exceptional set of outcomes (student destinations and examination results) in summer 2022, details of which I shared with you back in October.

Thank you as always for your fantastic support of the school.

Regards,

**Andrew Parkinson**

**Headteacher**

\*Notes from Ofsted:

When we have judged a school to be good, we will then normally go into the school about once every four years to confirm that the school remains good. This is called an ungraded inspection and it is carried out under section 8 of the Education Act 2005. We do not give graded judgements on an ungraded inspection.
