

Be Your Best Self

Thursday 25th August 2022

Dear Year 11 leavers (and parents/carers),

We hope today has gone well. We wanted to write a short note on behalf of all the school staff to wish you the very best for whatever the future holds.

We are exceptionally proud of you. Well done for your results; you need to feel especially proud of these considering the journey you have been made to take due to the pandemic years.

We very much hope you will be joining our fantastic sixth form in September. You may have heard last week about how well Year 13 performed in their summer examinations which meant they got the destinations they were planning for either at university or in employment. You will each be making your own minds up about what is important to you as a young adult and what kind of person you want to be; joining the Tadcaster Grammar School Sixth Form represents a very positive step towards the aspirations you have for your future.

If you have definitely decided to leave us, remember that you will always be 'Tadcaster Grammar School'. Be exceptionally proud of that and wear it as a badge of honour. In the near and far future we're sure you will probably think back to your time at school. If this happens, always know that we will definitely be thinking about you. Please stay in touch.

Remember we are always here to help, especially in the next few days. Any questions or queries please do not hesitate to contact Mrs Knapton, (Entry into TGS Sixth Form) (r.knapton@tgs.starmat.uk) or Mrs Lawson, (Careers Advice) (h.lawson@tgs.starmat.uk).

Enjoy the rest of the holidays. Stay safe, and if you are going to Leeds Festival, be sure to take your wellington boots.

Kind regards,

Mr A Parkinson
Headteacher

Mrs R Knapton
Director of Sixth Form

Headteacher: Mr A Parkinson B.Sc (Hons) M.Ed M.Sc
